

DECORE-ATIVE SPECIALTIES®

PURE COLORS™ LIMITED ONE YEAR WARRANTY

Decore-ative Specialties Pure Colors finished products are warranted against defects for one year, when given reasonable treatment.

Pure Colors finishing was designed for solid wood application. Color and appearance may vary when applied to veneer, sheet goods, accessories, and any customer supplied products. This is considered a regular occurrence with wood products and is not considered a defect.

Decore-ative Specialties does not warranty the application of the Pure Colors System when applied by the customer and assumes no responsibility of color match or discoloration of the Pure Colors System.

Photographs are for illustration purposes only and may vary from actual product due to the printing process, computer monitor differences, and the variations in wood as a natural product. Decore-ative Specialties recommend customers order a sample of their selected species and Pure Colors finish for approval before placing a full order.

The Pure Colors one year warranty is concurrent with the Decore-ative Specialties warranty found in the Decore-ative Specialties wood pricing guides. There are no other warranties of any kind, expressed or implied.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
