Streamline® RTA Cabinets

A close-up photograph of a light-colored wood frame, likely maple, showing a detailed bead profile. The frame consists of two perpendicular pieces of wood joined at a corner. The wood has a fine, vertical grain. A decorative bead is cut into the surface of the wood, following the outer edge of the frame. The lighting is soft, highlighting the texture and the smooth finish of the wood. The background is a plain, light color.

ColorFirmation®

Due to natural color variations in wood and catalog printing, we recommend ordering a ColorFirmation sample block of the color we are producing to ensure your color selection.
