## Concave Radius Doors

## Radius Door Pricing & Info:

Radius doors are priced by adding:

- 1) The **regular door (sqft) pricing**
- 2) The **radius door option charge**
- 3) The **set up charge** for non-standard radius doors. There is no set up charge for standard radii of 12", 18", or 24".

For pricing specifics, please reference the Decore-ative Specialities' Wood Pricing Guide or contact Customer Service (800-729-7277).

### Notes:

Minimum radius for doors = 12"

Maximums vary by door style.

## Radius Door Glossary:

When ordering, please refer to the following, as shown in the illustration.

**Chord Length:** the measurement from one side of the outside back edge of the door to the other.

**Rise:** the measurement from the center of the back of the door to the center of the chord length.

**Door Width:** the **arc length** along the **back** of the door.

**Radius:** the distance from the center of the circle to the edge of the back of the door.

## Concave Radius Face Frames

## Radius Face Frame Pricing & Info:

Pricing is figured by adding:

- 1) The **square footage price** of the whole structure
- 2) The **radius face frame option charge**
- 3) The **set up charge** for non-standard radius face frames. There is no charge for standard radii of 12", 18", or 24". Non-standard radii will incur a set up charge per radius per sales order.

For pricing specifics, please reference the Decore-ative Specialities' Wood Pricing Guide or contact Customer Service (800-729-7277).

## Radius Face Frame Glossary:

When ordering, please refer to the following, as shown in the illustration.

**Chord Length:** the measurement from one side of the outside front edge of the face frame to the other.

**Rise:** the measurement from the center of the front of the frame to the center of the chord length.

**Face Frame Width:** the **arc length** along the **front** of the face frame.

**Radius:** the distance from the center of the circle to the edge of the front of the face frame.
